_____)	

Come now the parties and by agreement they consent to the dismissal of Defendants' Motion to Dismiss for Lack of Personal Jurisdiction with prejudice. The parties by agreement and for good cause shown also consent to allowing Defendants an extension of time to respond to the Amended Complaint so that their response, by answer, motion, or otherwise is hereby extended until August 21, 2009. The basis for this extension results from the fact that the parties have been engaged in discussions to try and resolve the issues between them and have scheduled a settlement conference and, if needed, have agreed to schedule a pre-merits discovery mediation in the next month. As part of these discussions, Defendants have agreed to consent to this Court's exercise of personal jurisdiction over them and waive all defenses based upon lack of personal jurisdiction. Because the parties previously have devoted most of their efforts on the jurisdictional issue which is now being withdrawn, and because the parties are attempting to resolve the matter between themselves, the Defendants need additional time to respond to the Amended Complaint.

Therefore, for good cause shown, it is hereby ordered, adjudged, and decreed that: (1) Defendants consent to this Court's exercise of personal jurisdiction over them and waive all defenses based upon lack of personal jurisdiction; (2) the Defendants' Motion to Dismiss for Lack of Personal Jurisdiction is hereby withdrawn with prejudice; and (3) the Defendants are granted an extension until August 21, 2009 to respond by answer, motion or otherwise to the Plaintiff's Amended Complaint.

IT IS SO ORDERED.
